

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized in the industry as durable and strong machines which satisfies the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, equipment and components for these scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where results and efficiency make a difference. Lately, this floor scrubber model has been requested by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
