

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Ingersoll Rand offers products, solutions and services to be able to increase the productivity and ensure efficiency in residential, industrial and commercial environments. They pride themselves in delivering products to improve the security, health, safety and comfort of individuals all over the world through their four international segments.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting services, parts support and advanced controls for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products in order to improve energy efficiency, productivity and operations for their customers. The series of products in their line include: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles intended for individuals and businesses.

Popular brand names like Trane and Schlage compromise the Residential Solutions business, providing comfort, safety and efficiency to home owners all around North America. Some of their innovative quality products consist of electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products that ensure safe, productive and secure environments. This division's market leading products include door and floor closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel locks, doors and frames, locksets and decorative hardware. Schlage even has products that offer attendance, personal and time scheduling systems.
